

2023 ASIA CUP (WORLD RANKING TOURNAMENT) STAGE II, 30 APRIL– 05 MAY, TASHKENT (UZB)

Version 2.0 (15022023)

TO

ALL World Archery Member Associations,

Dear President/Secretary General

As Chair of the Local Organizing Committee (LOC) of the ASIA CUP, STAGE II to be held in TASHKENT, UZBEKISTAN on 29 April 2023, I would like to invite you all to be part of one of the most important archery events to take place in the UZBEKISTAN in 2023.

Tashkent is the capital and largest city of Uzbekistan. It is the most populous city in Central Asia, with a population of 2,909,500 (2022). Tashkent comes from the Turkic *tash* and *kent*, literally translated as "Stone City" or "City of Stones".

Tashkent is a city which is famous for its exceptionally valuable architectural heritage. There are many interesting monuments which have been preserved from the Middle Ages; buildings of 19th c. erected by the architects such as A. Benoua, V. Gueintselman and A. Makarov according to European traditions; imposing Soviet era administrative and apartment structures; and modern buildings which combine the latest architectural achievements with national style, local picturesque decor and Asian architectural traditions. The most important monuments date back to the 16th c., the "golden age" of the city's history.

The city has a deeply ingrained culture of service based on the friendliness, respect and warmth of its people. Its local government and institutions are fully committed to the city's development. Its modern infrastructure offers absolute comfort when hosting world class events.

Welcome to this amazing city that reinvents itself every day. Our targets look forward to embracing your arrows, just as our hearts are ready to make your visit unforgettably enjoyable.

“Come and discover hundreds of reasons to visit and endless excuses to come back”.

Sincerely yours,

Imamov Otabek
Chairman
Asia Cup, Stage II (LOC)
President
Uzbekistan Archery Federation
