### Shanghai, the city

The city of Shanghai is the largest city in China in terms of population and one of the largest urban areas in the world, with over 20 million people in its extended metropolitan area. Located on China's central eastern coast at the mouth of the Yangtze River, the city is administered as a municipality with province-level status. The city is an emerging tourist destination renowned for its historical landmarks such as the Bund and Xintiandi, its modern and ever-expanding Pudong skyline including the Oriental Pearl Tower, and its new reputation as a center of culture and design. Shanghai is Chinese center for commerce and finance, and has been described as the "showpiece" of the world's fastest-growing economy.

### Top Attractions

#### [The Bund](#) & [Huangpu River](#)

Huangpu River is not only the mother river of Shanghai, which divides the city into east and west parts, but also assembles the splendid tourist attractions of the city. Situated on the east bank of the Huangpu River, the Bund is the symbol of Shanghai. New finance and commercial houses as well as grand buildings built in 1930s in the European architectural styles cluster along the Bund. At night bright lights add to the happy atmosphere as people stroll along the wide riverside promenade.

#### [Nanjing Road](#)

Nanjing Road is considered to be the No. 1 commercial street in China, which has been a landmark for this city for a long time. Along its 5.5 kilometers, you will find over 600 shops that are visited by some 1.7 million people each day. Here, you could purchase everything wanted, spanning from special and cheap souvenirs of Shanghai to the luxurious world famous brands.

#### [Yuyuan Garden](#)

Yuyuan Garden is the largest of Shanghai's ancient gardens with Ming and Qing architectural styles. The garden has six areas, each with its own style. The Grand Rockery, in the center of the Garden, is the most renowned sight. Near the garden, there is the City God Temple of Shanghai, where various local snacks shops and streets are scattered around.

#### [Jade Buddha Temple](#)

It is one of the most famous Buddhist shrines in Shanghai. The White Jade Buddhas were brought here from Burma in the nineteenth century. One is seated while the other is in the recumbent position of Sakyamuni symbolizing the Buddha's attainment of enlightenment or nirvana. The temple also has some impressive images of the Heavenly Kings. Although many people come to worship each day and burn incense at this very holy and active shrine, visitors are welcome.

### [Shanghai Xin Tian Di](#)

If you want to experience the historical and cultural atmosphere of the city, Xin Tian Di is a wise choice. Composed of Shikumen and modern architectural style, now it has become a hot and fashionable pedestrian street in the center of the city. Actually, it stands for the popular and leisurely life style of this city's new generation. The outdoor cafés, bars and romantic restaurants can be seen everywhere.

### **Similar Attractions:** [Tianzifang](#)

Shanghai is hailed as the "Shopping Paradise" and "Oriental Paris". So if you come to Shanghai, shopping should not be missed any more than its other charming attractions. Providing the very best of shopping has become an indispensable part of Shanghai's tourism industry.

### **Main Shopping Areas**

Shopping areas in Shanghai are clearly divided into "Four Streets and Four Cities". Nanjing Road (including East Nanjing Road and West Nanjing Road), one of the four streets, enjoys the reputation of No.1 Commercial Street in China. Developed from the beginning of the 20th century, Nanjing Road has clusters of a wide variety of shops from those that are centuries old, to special ones and modern malls. In these modern times, Nanjing Road is not out done by its numerous competitors but becomes more and more prosperous. Huaihai Road, no less famous than Nanjing Road, is celebrated for its elegance. It features top-end designer brands from all over the world. North Sichuan Road offers good inexpensive merchandise and is always the first choice of ordinary people. Food and tourism are well provided for on Middle Tibet Road, one of the Four Streets.

Parkson Shopping Center on the Huaihai Road is worth visiting. Here you will find reasonable prices and many special offers in the form of discounts and other promotions. Even the brand-name clothing is reasonably priced here.

Maison Mode, located at No.1312, Huaihai Road, claims to be the aristocrat on this street. You will find the leading designer brands such as Gucci, Ferragamo, Hugo Boss, Bally, Kenzo, etc. here. It is no exaggeration to say that the reputation of Huaihai Road is enhanced by the presence of Maison Mode.

Yuyuan Shopping City, Xujiahui Shopping City, New Shanghai Shopping City and Jiali Sleepless City are the bustling "Four Cities" in Shanghai. Yuyuan Shopping City is the venue for specialist Chinese goods ranging from small articles, local crafts and the like to antiques, jade wares and gold and silver jewelry. The newly-established shopping and entertainment plaza, Xujiahui consists of large stores where you can obtain both costly and middle-range

priced goods in abundance. New Shanghai Shopping City is on the grand scale and offers the best facilities and amenities. Located in the middle of Pudong Lujiazui Finance and Trade Zone, it is surrounded by a variety of retail outlets. Like a bright pearl on the landscape, Jiali Sleepless City facing Shanghai Railway Station, and on the Subway line 1, is a bustling commercial area.
