Hong Kong Athletes Fund (HKAF)

Education Grant

Application Guidelines

Introduction

To commemorate the achievements of Hong Kong athletes in the 1996 Olympic and Paralympic Games, the Government established the **Hong Kong Athletes Fund (HKAF)**, aiming to provide grants for educational and other academic training to individual athletes to allow them to pursue excellence in their chosen sports and to provide them with the opportunity to develop alternative careers upon retirement from sports.

In the 2019-20 Budget, the Government announced the injection of HK\$250 million into the HKAF to increase scholarship awards in support of the dual career development of athletes, and provide more cash incentives for full-time athletes when they retire from sports. Subsequently, the Finance Committee of the Legislative Council approved the injection of HK\$250 million into the HKAF to enhance the dual career development and retirement support to athletes at its meeting on 17 July 2020. To this end, the enhanced HKAF will be made available to eligible athletes with effect from 2020/21 academic year, with details as follows:
